GLEANING AMERICA'S FIELDS
FEEDING AMERICA'S HUNGRY

Harvest of Hope

Hands-On Service/Study Events

This faith-based experiential service and learning opportunity provides you and your group the opportunity take action, get involved in hands-on activities, and rescue and share good food with people in need.

Participants glean and distribute produce remaining in fields after harvest each morning and learn about the realities of hunger each evening.

Bible study and dynamic worship round out days of Christian community and service, providing a basis for ongoing commitment to ending hunger.
